Name: _	Marketing Education

Directions:

Evaluate the student by entering the appropriate number or letter to indicate the degree of competency. The rating of each task should reflect **employability readiness** rather than the grades given in class.

Rating Scale:

- 3 Mastered can work independently with no supervision
- 2 Requires Supervision can perform job completely with limited supervision
- 1 Not Mastered requires instruction and close supervision
- N No Exposure no experience or knowledge in this area

Note: Competencies are listed under their instructional unit and are numbered according to their learning outcome. An asterisk (*) indicates an advanced competency, which is a competency identified for inclusion in an advanced marketing education class. Some of these competencies may be selected for inclusion in a first year marketing education class based on local needs.
